"Jason, look at my new smart phone!" Jason groaned as Kirk thrust a phone under his nose for the tenth time that day.

"Yeah Kirk, it's...brilliant", said Jason, trying to concentrate on his bass playing.

"It can send and receive photos!" Kirk gushed. Suddenly, there was a loud bleep.

"Oh! Jason, I've just received one now, look!"

Kirk's delight evaporated quickly; he squealed in dismay and Jason laughed as a photo of Lars, totally naked appeared on the screen.

Across the room Lars waved his smart phone around and James grinned evilly.

"Ha ha", laughed Jason. "Smart phone, silly friends!"
